

Dariana Correa

Front-End Developer

Work Experience

Front-End Developer

I do not have work experience, since I am a self-taught student, but I do have my skills. I've made small websites! With the help of the tools mentioned in this resume, you can go to my GitHub and see the small projects I have created.

I have done: "

- Portfolio.
- E-commerce.
- Login.

And now planning to make a

- Fast food store without API.

date message: 25/12/23

Education History

Bachelor's degree
Year of Graduation: 2023

- Skills obtained: Fundamentals of digital marketing

Courses and Certificates

All certificates are on LinkedIn, with your credential, expiration date and platform, please take your time and visit the LinkedIn profile.
